ARTICLE V

PROVISIONS GOVERNING DISTRIBUTIONS

5.01 Distributions For Claims and Interests Allowed as of Effective Date.

Except as otherwise provided herein or as ordered by the Bankruptcy Court, distributions to be made on account of Claims that are Allowed Claims and Interests that are Allowed Interests as of the Effective Date shall be made on the Distribution Date, or as soon thereafter as practicable. The New Equity Interests to be issued under this Plan shall be deemed issued as of the Effective Date regardless of the date on which the shares or interests are actually distributed.

5.02 Interest on Claims.

Unless otherwise specifically provided by this Plan, the Confirmation Order, any other order of the Court, or by applicable bankruptcy law, post-petition interest shall not accrue and shall not be paid on Allowed Claims when due under the contract, agreement, or other instrument governing the terms and conditions of the obligation comprising such Allowed Claim.

5.03 Disbursing Agent.

The Disbursing Agent shall make all distributions required under this Plan *except* (i) distributions to the Holders of Allowed Claims in Classes 1 and 5, which distributions shall be deposited with the Administrative Agent, who shall promptly deliver such distributions to the Holders of such Claims in accordance with the provisions of this Plan and the Prepetition Senior Credit Documents and (ii) distributions to the Holders of Allowed Claims in Class 6, which distributions shall be deposited with the Junior Lender Agent, who shall promptly deliver such distributions to the Holders of such Claims in accordance with the provisions of this Plan and the Subordinated Notes.

If the Disbursing Agent is an independent third party designated in the Confirmation Order to serve in such capacity, such Disbursing Agent shall receive, without further Bankruptcy Court approval, reasonable compensation for distribution services rendered pursuant to the Plan and reimbursement of reasonable out-of-pocket expenses incurred in connection with such services from the Reorganized Debtors on terms acceptable to the Reorganized Debtors. No Disbursing Agent shall be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. If so ordered, all costs and expenses of procuring any such bond shall be paid by the Reorganized Debtors.

5.04 Record Date For Distributions.

At the close of business on the Distribution Record Date, the transfer ledgers for the Prepetition Senior Facility Claims, Junior Lien Claims, and Old Common Stock shall be closed, the claims register for transfers of Claims and Interests pursuant to Bankruptcy Rule 3001(e) will also be closed and there shall be no further changes in the record holders of the Prepetition Senior Facility Claims, Junior Lender Claims and Old Common Stock. None of the Reorganized Debtors, the Disbursing Agent, the Administrative Agent, or the Junior Lender Agent shall have any obligation to recognize any transfer of such Prepetition Senior Facility Claims, Junior Lender Claims or Old Common Stock occurring after the Distribution Record Date and shall be entitled instead to recognize and deal for all purposes hereunder with only those Holders stated on the applicable transfer ledgers as of the close of business on the Distribution Record Date.

5.05 Means of Cash Payment.

Cash payments made pursuant to this Plan shall be by check, wire or ACH transfer in U.S. funds or by other means agreed to by the payor and payee or, absent agreement, such commercially reasonable manner as the payor determines in its sole discretion.

5.06 Delivery of Distributions.

Distributions to Holders of Allowed Claims and Allowed Interests shall be made by the Disbursing Agent or Administrative Agent, as the case may be, (a) at the addresses set forth on the proofs of Claim or Interest filed by such Holders (or at the last known addresses of such Holders if no proof of Claim or Interest is filed or if the Debtors have been notified in writing of a change of address), (b) at the addresses set forth in any written notices of address changes delivered to the Disbursing Agent after the date of any related proof of Claim or Interest, (c) at the addresses reflected in the Schedules if no proof of Claim or Interest has been filed and the Disbursing Agent has not received a written notice of a change of address, (d) in the case of the Holder of a Claim that is governed by an agreement and is administered by an agent, at the addresses contained in the official records of such agent, or (e) at the addresses set forth in a properly completed letter of transmittal accompanying securities properly remitted to the Debtors. If any Holder's distribution is returned as undeliverable, no further distributions to such Holder shall be made unless and until the Disbursing Agent or the appropriate agent is notified of such Holder's then current address, at which time all missed distributions shall be made to such Holder without interest. Amounts in respect of undeliverable distributions made through the Disbursing Agent or agent shall be returned to the Reorganized Debtors until such distributions are claimed. All claims for undeliverable distributions must be made on or before the second (2nd) anniversary of the Effective Date, after which date all unclaimed property shall revert to the Reorganized Debtors free of any restrictions thereon and the claim of any holder or successor to such holder with respect to such property shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

5.07 Claims Paid or Payable by Third Parties.**(a) Claims Paid by Third Parties.**

The Debtors or the Reorganized Debtors, as applicable, shall reduce a Claim, and such Claim shall be disallowed without a Claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full or in part on account of such Claim from a party that is not a Debtor or Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within two weeks of receipt thereof, repay or return the distribution to the applicable Reorganized Debtor, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the two-week grace period specified above until the amount is repaid.

(b) Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, such Claim may be expunged without a Claims objection having to be filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

(c) Applicability of Insurance Policies.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any cause of action that the Debtors or any entity may hold against any other entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses.

5.08 Fractional Dollars; De Minimis Distributions.

Any other provision of the Plan notwithstanding, payments of fractions of dollars shall not be made. Whenever any payment of a fraction of a dollar under the Plan would otherwise be called for, the actual payment made shall reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars being rounded up. The Disbursing Agent or any agent, as the case may be, shall not make any payment of less than twenty-five dollars (\$25.00) with respect to any Claim unless a request therefor is made in writing to such Disbursing Agent or agent, as the case may be.

5.09 Withholding and Reporting Requirements.

In connection with this Plan and all distributions hereunder, the Disbursing Agent shall, to the extent applicable, comply with all tax withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. The Disbursing Agent shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements.

5.10 Calculation of Distribution Amounts of New Equity Interests.

No fractional shares of New Equity Interests shall be issued or distributed under the Plan by the Reorganized Debtors, the Disbursing Agent, or the Administrative Agent. Each Person entitled to receive New Equity Interests will receive the total number of whole shares to which such Person is entitled. Whenever any distribution to a particular Person would otherwise call for distribution of a fraction of a share, the actual distribution of shares of such New Equity Interests shall be rounded to the next higher or lower whole number as follows: (a) fractions $\frac{1}{2}$ or greater shall be rounded to the next higher whole number, and (b) fractions of less than $\frac{1}{2}$ shall be rounded to the next lower whole number. The total number of shares of New Equity Interests to be distributed to the Holders of Claims in Classes 5 and 6, and Interests in Class 10, shall be adjusted as necessary to account for the rounding provided herein. No consideration shall be provided in lieu of fractional shares rounded down.

ARTICLE VI**EXECUTORY CONTRACTS AND UNEXPIRED LEASES****6.01 Assumption/Rejection.**

On the Effective Date, and to the extent permitted by applicable law, all of the Debtors' executory contracts and unexpired leases will be assumed by the Debtors *unless* such executory contract or unexpired lease: (a) is identified in a Schedule to be included in the Plan Supplement as a contract or lease being rejected pursuant to the Plan; or (b) is the subject of a motion to reject filed on or before the Confirmation.

6.02 Pass-Through.

Any rights or arrangements necessary or useful to the operation of the Debtors' business but not otherwise addressed as a Claim or Interest, including non-exclusive or exclusive patent, trademark, copyright, maskwork or other intellectual property licenses and other executory contracts not assumable under Section 365(c) of the Bankruptcy Code, shall, in the absence of any other treatment, be passed through the bankruptcy proceedings for the Debtors and the Debtors' counterparty's benefit, unaltered and unaffected by the bankruptcy filings or Chapter 11 Cases.

6.03 Assumed Executory Contracts and Unexpired Leases.

Each executory contract and unexpired lease that is assumed will include (a) all amendments, modifications, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affect such executory contract or unexpired lease, and (b) all executory contracts or unexpired leases and other rights appurtenant to the property, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises, and any other equity interests in real estate or rights in rem related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court or is the subject of a motion to reject filed on or before the Confirmation Date.

Amendments, modifications, supplements, and restatements to prepetition executory contracts and unexpired leases that have been executed by the Debtors during their Chapter 11 Cases shall not be deemed to alter the prepetition nature of the executory contract or unexpired lease, or the validity, priority, or amount of any claims that may arise in connection therewith.

6.04 Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.

Rejection or repudiation of any executory contract or unexpired lease pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under such contracts or leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased by the contracting Debtors or Reorganized Debtors, as applicable, from counterparties to rejected or repudiated executory contracts or unexpired leases.

6.05 Assumed Contracts and Leases, and Leases Entered After Petition Date.

Leases entered into after the Petition Date by any Debtor, and any executory contracts and unexpired leases assumed by any Debtor, may be performed by the applicable Reorganized Debtor in the ordinary course of business.

6.06 Reservation of Rights.

Neither the exclusion nor inclusion of any contract or lease in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an executory contract or unexpired lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have thirty days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

6.07 Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request by the Debtors to extend the deadline for assuming or rejecting unexpired leases pursuant to Section 365(d)(4) of the Bankruptcy Code.

6.08 Cure Costs.

Except to the extent different treatment is agreed to among the parties, any monetary amounts by which each executory contract and unexpired lease to be assumed pursuant to the Plan is in default will be satisfied, under Section 365(b)(1) of the Bankruptcy Code, at the Debtors' option, by the payment of Cash or distribution of other property as necessary to cure any defaults. If there is a dispute regarding (i) the nature or amount of any cure, (ii) the Debtors' ability or the ability of the Debtors' assignees to provide "adequate assurance of future performance" (within the meaning of Section 365 of the Bankruptcy Code) under the contract or lease to be assumed, or (iii) any other matter pertaining to assumption, cure will occur following the entry of a Final Order resolving the dispute and approving the assumption or assumption and assignment, as the case may be.

ARTICLE VII

**PROCEDURES FOR RESOLVING DISPUTED,
CONTINGENT, AND UNLIQUIDATED CLAIMS**

7.01 Objections to Claims.

From and after the Effective Date, the Debtors and Reorganized Debtors may settle or compromise any Contested Claim/Interest without approval of the Bankruptcy Court. The Debtors also reserve the right to resolve any Contested Claim/Interest outside the Bankruptcy Court under applicable governing law.

7.02 Estimation of Claims.

Any Debtor or Reorganized Debtor, as applicable, may at any time request that the Bankruptcy Court estimate any contingent or unliquidated Claim pursuant to Section 502(c) of the Bankruptcy Code, regardless of whether such Debtor has previously objected to such Claim or whether the Bankruptcy Court has ruled on any objection, and the Bankruptcy Court will retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any claim, including during the pendency of any appeal related to any such objection. In the event the Bankruptcy Court estimates any contingent or unliquidated Claim, that estimated amount will constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the Debtors or Reorganized Debtors, as applicable, may elect to pursue any supplemental proceedings to object to any ultimate payment on such Claim. All of the aforementioned objection, estimation and resolution procedures are cumulative and are not necessarily exclusive of one another. Claims may be estimated and thereafter resolved by any permitted mechanism.

7.03 No Distributions Pending Allowance.

Notwithstanding any other provision of the Plan, no payments or distributions shall be made with respect to all or any portion of a Contested Claim/Interest unless and until all objections to such Contested Claim/Interest have been settled or withdrawn or have been determined by Final Order, and the Contested Claim/Interest, or some portion thereof, has become an Allowed Claim or Interest.

7.04 Distribution Reserve.

The Disbursing Agent shall withhold the Distribution Reserve from the Cash or other property (other than the Exit Term Loan to be distributed to the Holders of Allowed Claims in Class 1 and the New Equity Interests to be distributed to the Holders of Allowed Claims or Interests in Classes 5, 6 and 10) to be distributed under the Plan. As to any Contested Claim/Interest, upon a request for estimation by the Debtors, the Bankruptcy Court shall determine what amount is sufficient to withhold as the Distribution Reserve. The Debtors may request estimation for every Contested Claim/Interest that is unliquidated and the Disbursing Agent shall withhold the Distribution Reserve based upon the estimated amount of such Claim or Interest as set forth in a Final Order. No holder of a Contested Claim/Interest shall be entitled to a distribution in excess of the Debtors' estimate of such Contested Claim/Interest unless required by Final Order. If the Debtors elect not to request an estimation from the Bankruptcy Court with respect to a Contested Claim/Interest that is liquidated, the Disbursing Agent shall withhold the Distribution Reserve based upon the Face Amount of such Claim or Interest.

7.05 Distributions After Allowance.

The Reorganized Debtors or the Disbursing Agent, as the case may be, shall make payments and distributions from the Distribution Reserve to each holder of a Contested Claim/Interest that has become an Allowed Claim or Interest in accordance with the provisions of the Plan governing the Class of Claims or Interests to which such holder belongs. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing all or part of any Contested Claim/Interest becomes a Final Order, the Disbursing Agent shall distribute to the holder of such Claim or Interest the distribution (if any) that would have been made to such Holder on the Distribution Date had such Allowed Claim or Interest been allowed on the Distribution Date. After a Contested Claim/Interest is Allowed or otherwise resolved, the excess Cash or other property that was reserved on account of such Contested Claim/Interest, if any, shall become property of the Reorganized Debtors.

7.06 Prior Payment of Claims.

Notwithstanding the contents of the Schedules, Claims listed therein as undisputed, liquidated and not contingent shall be reduced by the amount, if any, that was paid by the Debtors prior to the Effective Date including pursuant to orders of the Bankruptcy Court. To the extent such payments are not reflected in the Schedules, such Schedules will be deemed amended and reduced to reflect that such payments were made. Nothing in the Plan shall preclude the Reorganized Debtors from paying Claims that the Debtors were authorized to pay pursuant to any Final Order entered by the Bankruptcy Court prior to the Confirmation Date.

7.07 Compliance with Tax Requirements/Allocations.

In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any governmental unit, and all distributions pursuant hereto shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Reorganized Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, liens and encumbrances.

ARTICLE VIII**CONDITIONS PRECEDENT TO CONFIRMATION
AND CONSUMMATION OF THE PLAN****8.01 Conditions Precedent to Confirmation.**

The Bankruptcy Court shall have entered the Confirmation Order in form and substance reasonably acceptable to the Debtors, the Administrative Agent, the Exit Agent, the Junior Agent and the Sponsor, which shall include a finding of fact that the Debtors, the Administrative Agent, the Prepetition Senior Lenders, the Exit Agent, the Exit Lenders, the Junior Lender Agent, the Junior Lenders, the Sponsor and their respective present and former members, officers, directors, managers, employees, advisors, attorneys and agents, acted in good faith within the meaning of and with respect to all of the actions described in Section 1125(e) of the Bankruptcy Code and are therefore not liable for the violation of any applicable law, rule, or regulation governing such actions.

The Debtors shall have arranged for credit availability under the Exit Revolving Facility to provide the Reorganized Debtors and their subsidiaries with their working capital needs.

8.02 Conditions Precedent to Consummation.

The following are conditions precedent to the occurrence of the Effective Date, each of which must be (x) satisfied or (y) waived in accordance with Section 8.04 below:

(a) The Confirmation Order shall have been entered in form and substance reasonably acceptable to the Debtors and the Administrative Agent, on behalf of the Consenting Lenders, and become a Final Order and shall, *inter alia*, provide that the Prepetition Senior Facilities Claims and the Junior Lender Claims are Allowed Claims.

(b) The Exit Credit Agreement shall have been executed and delivered by all parties thereto, and all conditions precedent to consummation thereof shall have been waived or satisfied

in the manner permitted thereunder, and funding pursuant to the Exit Credit Facilities shall have occurred.

(c) The following agreements, in form and substance reasonably acceptable to the Debtors or Reorganized Debtors, as applicable, the Administrative Agent, on behalf of the Consenting Lenders, the Exit Agent, the Junior Lender Agent and the Sponsor, shall have been executed and delivered, and all conditions precedent thereto shall have been satisfied:

- (i) Restated Corporate Documents;
- (ii) New Entity Documents; and
- (iii) Management Incentive Plan.

(d) All authorizations, consents, and regulatory approvals required, if any, in connection with the consummation of this Plan shall have been obtained.

(e) There shall not be in effect on the Effective Date any (i) order entered by a court or (ii) any order, opinion, ruling or other decision entered by any other court or governmental entity or (ii) any applicable law staying, restraining, enjoining or otherwise prohibiting or making illegal the consummation of any of the transactions contemplated by the Plan.

(f) No request for revocation of the Confirmation Order under Section 1144 of the Bankruptcy Code shall remain pending.

(g) The Effective Date shall have occurred on or prior to the 30th day after the Confirmation Date.

(h) To the extent provided for in Section 4.03(d) hereof, the Debtors shall reimburse all reasonable costs and expenses, including all fees and expenses, of the Administrative Agent, and the Exit Agent.

(i) Either (A) the issuance of all shares or interests of New Equity Interests to be issued under the Plan shall qualify for the exemption from securities laws under Section 1145 of the Bankruptcy Code, (B) the Debtors shall have received from each Holder of an Allowed Claim in Class 5 and Class 6, and each Holder of an Allowed Interest in Class 10, from whom it shall have so requested, a representation in form and substance reasonably satisfactory to the Debtors that such Person is an "accredited investor" and such other representations as the Debtors may reasonably request in order to determine that all shares or interests of New Equity Interests were offered and issued in a private placement to "accredited investors" only under Rule 506 under the Securities Act, or (C) the Debtors reasonably determine that the issuance of all shares or interests of New Equity Interests to be issued under the Plan is otherwise exempt from registration.

8.03 Substantial Consummation.

On the Effective Date, the Plan shall be deemed to be substantially consummated under Sections 1101 and 1127(b) of the Bankruptcy Code.

8.04 Waiver of Conditions.

Each of the conditions set forth in Section 8.02 hereof may be waived in whole or in part by written consent of the Debtors, the Administrative Agent, on behalf of the Consenting Lenders, the Exit Agent, the Junior Lenders, and the Sponsor, without any notice to other parties in interest or the Bankruptcy Court and without a hearing. The failure to satisfy or waive any condition to the Effective Date may be asserted by the Debtors or the Reorganized Debtors regardless of the circumstances giving rise to the failure of such condition to be satisfied (including any action or inaction by the Debtors or Reorganized Debtors). The failure of the Debtors, the Reorganized Debtors, the Administrative Agent, the Exit Agent, the Junior Lenders, or the Sponsor to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each such right shall be deemed an ongoing right that may be asserted at any time.

ARTICLE IX**AMENDMENTS AND MODIFICATIONS**

The Debtors, with the consent if the Administrative Agent, on behalf of the Consenting Lenders, Exit Agent and the Junior Lenders, may alter, amend, or modify the Plan or any exhibits thereto under Section 1127(a) of the Bankruptcy Code at any time prior to the Confirmation Date. After the Confirmation Date and prior to “substantial consummation” of the Plan, as defined in Section 1101(2) of the Bankruptcy Code, the Debtors may, under Section 1127(b) of the Bankruptcy Code, institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement or the Confirmation Order, and such matters as may be necessary to carry out the purposes and effects of the Plan, so long as such proceedings do not materially adversely affect the treatment of Holders of Claims or Interests under the Plan; *provided, however*, that prior notice of such proceedings shall be served in accordance with the Bankruptcy Rules or order of the Bankruptcy Court.

ARTICLE X**COMPROMISES AND SETTLEMENTS**

Pursuant to Section 363 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distribution and other benefits provided under the Plan, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and controversies resolved pursuant to the Plan, including, without limitation, all Claims arising prior to the Petition Date, whether known or unknown, foreseen or unforeseen, asserted or unasserted, arising out of, relating to or in connection with the business or affairs of, or transactions with, the Debtors. The entry of the Confirmation Order shall constitute the Bankruptcy Court’s approval of each of the foregoing compromises or settlements, and all other compromises and settlements provided for in the Plan, and the Bankruptcy Court’s findings shall constitute its determination that such compromises and settlements are in the best interests of the Debtors, the Estates, Creditors and other parties in interest, and are fair, equitable and within the range of reasonableness.
